EXPERTISE . QUALITY . RELIABILITY

GENERAL CLEANING SERVICE

High Level and Other Glass Washing

Window, roof and other high level glass are basically recognized as an image. It needs to be clean and shiny.

Our professional washing does the utmost to make it a great looking and remain having a beauty quality for long time.

Wooden Floor cleaning, Marble, Granite and Other Stones Cleaning

We provide the ideal floor cleaning and polishing for both commercial building and residence including wooden, marble, granite and other stones. We can restore and make your floor become a beautiful natural with a smooth and shiny looking surface.

Carpet Shampooing

Dirt and Soil come from the foot traffic will cause your carpet to deteriorate and need to be replaced more than often. Regular Carpet cleaning and shampooing from BCS will help preserve the beauty and quality of carpet for years. We have professional staffs and high quality of carpet cleaning materials that would completely ensure the best quality of service.

PEST CONTROL SERVICE

General Pest Control

Pests and Insects always damage your goods, property and also harm to your health. Our pest control service can provide the indoor and outdoor control of ants, rat, bed-bug, cockroaches, flies, mosquitoes, carpet-pests, flea, silverfish, spiders, wasps and other crawling insects.

Termite Treatment

No matter how your home is constructed there is a possibility of attack from subterranean termites. They cause significant and costly damage to the structure of a property. We use the chemical that is accepted and acclaimed in USA, France, Japan and throughout South East Asia. We provide both Pre-construction treatment and Post-construction treatment to prevent and eliminate termite.

CLEANERS STANDBY SERVICE

We are also including a contract of standby cleaning service for your organization. Leave cleaners' matter in your office to us. With our yearly expertise and experience, we aim to advise you for a realistic of cleaning schedule, economy and quality service to meet a demand of greater hygiene standard.
